# E-PROCUREMENT SOLUTION

Force Intellect provides eProcurement software for Manufacturing industry SMEs. Our e-Procurement solution automates and streamlines procurement processes of manufacturing SMEs. This enables efficient and transparent procurement of raw materials, consumable & capital items. Our e-Procurement solution is offered as an integral part of our Spectrum ERP Purchase to Pay portfolio. We also offer eProcurement as a stand-alone solution and seamlessly integrate it with your existing 3rd party ERP systems.
